LA GRANDE FANS ARE WARMING UP

La Grande, Ore., Marh 10.—Touches of spring have accelerated baseball talk. La Grande is warming up to the question in fine style and while the other towns along the Western Tri-State itinerary have been doing a lot of talking, La Grande has warmed up to the question until now she is as vividly red-blooded as any. Up in the Northland, North Yakima is drilling together a team. Walla Walla, favored with weather that permits early training, is ready to get a good start, the same is true at Boise and in Eastern Oregon, Baker, La Grande and Pendleton will soon be able to get training started, if present conditions of the weather continue.

That La Grande can proceed with its games on first class diamonds and with a suitable covering for the fans, has removed the monumental questions of last year, and the fact that the fans can look forward to a 25 cent ball is also gladly received. The 50 cent feature was a death blow last year and this is one of the obstacles that has been overcome.

MANY ASPIRANTS FOR YAKIMA TEAM

North Yakima, Wash., March 10.—(Special.)—Although Manager Geo. Engle of the North Yakima team in the Tri-State league has announced his intention of staying in Seattle until a week before the season opens and picking his players there, there are five North Yakima boys who are confident they can win places on the team when it is brought to this city. Two of them have practically the assurance of Engle that he will sign them: Lon Rundstrom, pitcher, and Johnny Grovers, second or third. Walter Russell, a North Yakima boy who played first for the Yakima Tigers last year, is considered good material. The other two are Danny Marks, who pitched for the Moxee team last summer, and Reabe, out-

CAN YOU DOUBT IT?

When the Proof Can Be So Easily Investigated.

When so many grateful citizens of Pendleton testify to benefit derived from Doan's Kidney Pills, can you doubt the evidence? The proof is not far away—it is almost at your door. Read what a resident of Pendleton says about Doan's Kidney Pills. Can you demand more convincing testimony?

C. S. Howard, grocer, 1614 W. Webb street, Pendleton, Oregon, says: "For fifteen years I had a great deal of suffering from a dull pain through the small of my back and left side. For over a year I was annoyed by numbness in my shoulder blades. I couldn't lie comfortably on my back. The kidney secretions were too frequent in passage. I tried several well-known remedies, but nothing did me any good until I used Doan's Kidney Pills. They relieved the aches and pains and regulated the action of my kidneys. You may continue publishing the endorsement I gave Doan's Kidney Pills after they had helped me so much."

fielder, in the same organization, who now lives in North Yakima. Engle has so far signed only four players. They are Matt Stanley, catcher; Bert Dunn, pitcher and utility man; Oass, pitcher; and Cassia, short stop.

TEAMS AWAIT TO HEAR "PLAY BALL"

PACIFIC COAST IS
LONGEST SCHEDULE

Only Few Changes Have Been Made in the Management of Various Teams—Western Tri-State Opens September 8—Most Teams Are Now Training.

The Pacific Coast league, with the longest schedule of any league in the country, will start its fourteenth season April 1 and close October 26. Harry Wolverton, who piloted the New York Americans last year, returns to the coast to manage the Sacramento team. The other managers of the league are: Del Howard, San Francisco; W. H. McCredie, Portland; "Hap" Hogan, Vernon; Frank Dillon, Los Angeles, and Mari Mitze, Oakland.

The twelfth season of the North-western league will get under way April 15 and continue until September 28. "Iron Man" Joe McGinty, the former Giant pitcher, succeeds Mike Lynch as manager at Tacoma. Lynch will manage the Victoria team. The other managers are T. Raymond, Seattle; Harley Ostrick, Spokane; Nick Williams, Portland, and "Kitty" Brashar, Vancouver.

The Western Tri-State league, made up of clubs in Walla Walla, Boise, Pendleton, North Yakima, Baker and La Grande, will open its second season April 22 and close September 8.

MANY WANTING TO SIGN WITH BAKER

Manager Harlow Is Getting as High as 40 Letters a Day from Players Who Want Berths.

Baker, Ore., March 10.—Since becoming player-manager of the Baker ball team, "Con" Harlow's mail is assuming alarming proportions. He receives as high as 40 letters each day from baseball aspirants who are desirous of getting on with the local organization.

Mr. Harlow is not jumping haphazard at every applicant, but is investigating each man's past record with care, and it is assured that Baker's ball team will be a top-notch.

GAFFNEY AND HOSAN COMPLETE TRAINING

Both Gaffney and Hosan finished their final training yesterday afternoon at weight and will rest now until the bout tomorrow evening. A large crowd of enthusiastic fans witnessed the final workout and the interest in the coming bout is great. Gaffney's friends are sanguine over the Irish lad's chances and point out that while Sing has a knockout over Hennessy against Billie's drawn battle of ten rounds with him, that Gaffney is greatly improved over his boxing and general form of last November and that he will carry the battle to the Celestial. These argue that from a long line of Irish ancestors the Gaffney blood is combative, while the Mongolian race has been in servility for generations and hence when the pace becomes thoroughly warmed up race will tell. Both promise to carry the brunt of the battle to the opponent's corner from the tap of the gong.

Baker, Ore., March 10.—About 15 of Baker's high school foot racers were out training for the cross-country run to be held soon. This event has become an annual affair, and a strong friendly rivalry exists between the classes, as to who will win the cup.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J.
